

# Believe Services Emergency Planning

Believe Services are dedicated to ensuring your health, safety and well-being at all times.

This means that we would like to work with you to plan for emergencies, disasters and any other unforeseen events.

## How does the Believe Services plan for emergencies?

We use various business processes like our

“Business Continuity Plan” and “Pandemic Plan”.

These help make sure the business keeps providing you the supports and services you need.

We also have our Emergency Response Team ready to assist!

## How can we help you to plan for emergencies?

Together we fill out an Individual Support Plan that identifies if you require support in a range of situations.

Provided in your Intake Pack you will also receive a form called “Emergency Care Plan”.

We strongly recommend completing and sharing this plan.

We can support you to do it!

## What to do in an emergency

Always contact emergency services in an emergency.

Depending on the emergency you may need to contact:

000 – Police, Fire and Ambulance

132 500 – SES (State Emergency Services)
